On behalf of the Not Now, Not Ever Research Symposium Organising Group- Professor Heather Douglas, Associate Professor Molly Dragiewicz, Dr Kathleen Baird and Dr Deborah Walsh- I extend a warm invitation to join us and the QCDFVR team in Mackay next year.

The inaugural Queensland Gendered Violence Research Symposium will be held in Mackay on the 23rd and 24th February 2017.

Our time together in Mackay will be a chance to meet with the State's researchers who are building the evidence base to prevent and respond to domestic and family violence and sexual assault.

We hope to see researchers at all levels who are working in the field of gendered violence, as well as practitioners and policy makers from the range of sectors associated with gendered violence, in our tropical city.

The Agenda will include keynote speaker/s, presentations, small group interactions, and one-on-one time with research mentors.

Please join us.

Yours sincerely

Annabel
